Week 3

Term 2, week 3

COLOUR RUN – Thanks to all staff and parent helpers who assisted at our walkathon and colour explosion. Many students have already asked me if we will be having another colour explosion next year so its popularity was clearly very strong and it's clear that our teachers also enjoyed it!

Late last week we had some wonderful feedback from our ANZAC service with one email below that I particularly wanted to share with our school community.

Dear Mrs Cameron,

I'm writing to thank you for the privilege of attending Canadian Lead's ceremony on Wednesday. I've not been to the school before, and I was so moved by the way the children conducted themselves. They demonstrated the values of the school by honouring the occasion, in their presentations, their stillness and their steadfastness during the rain. They created peace.

I'm sure you are very proud.

Thank you also for your welcome and afternoon tea. It was lovely to see the honour rolls and the children's work on the walls. On the way home Isabel and Jack agreed that this was one of the more memorable moments they could remember on Anzac Day.

Thank you again and best wishes.

Paula Durance (Mother of Jack and Isabel Dunstan)

Congratulations [Miss Jury, Miss Trigg and Mrs Campbell](#) on being nominated for the 2018 Power FM – Apple for the Teacher competition. Vote as many times as you like using the website link below and clicking on the CLPS teachers!

Around the Classrooms

I was invited into Music this week to share in the amazing learning of our senior students and enjoyed speaking with Kiri and Myesha of 4/6T – here is what they had to say about their learning in music.

This week in Music we learnt that any object that contains water or metal can conduct energy and we used fruit and a makey makey kit to create a fruit piano that played sound when the circuit was connected.

PARKING REMINDER AND SCHOOL CROSSING

A reminder to parents to please follow local council parking regulations in our school zone. I have recently had reports of parent's illegally parking to drop off children of a morning and this is incredibly dangerous. The council have advised me that there will be parking inspectors in our area over the next few weeks.

A reminder to all parents that the carpark is not for pick-ups at the end of the day.

Please also remind your children to always use the school crossing when arriving and leaving school. We have a number of children walking down Otway St and then crossing near Pennyweight Park.

Staff on duty will be speaking with children and reminding them also.

POLICE VISIT

Our senior students had a visit from Des Hudson this week as a reminder about the importance of personal safety and respectful relationships. I was very proud of the way our students listened intently to the key messages of the presentation, particularly regarding the definition of bullying and what we can do to be role models in taking a stand to this kind of behaviour.

Is it Bullying?

When someone says or does something unintentionally hurtful and they do it once, that's

RUDE

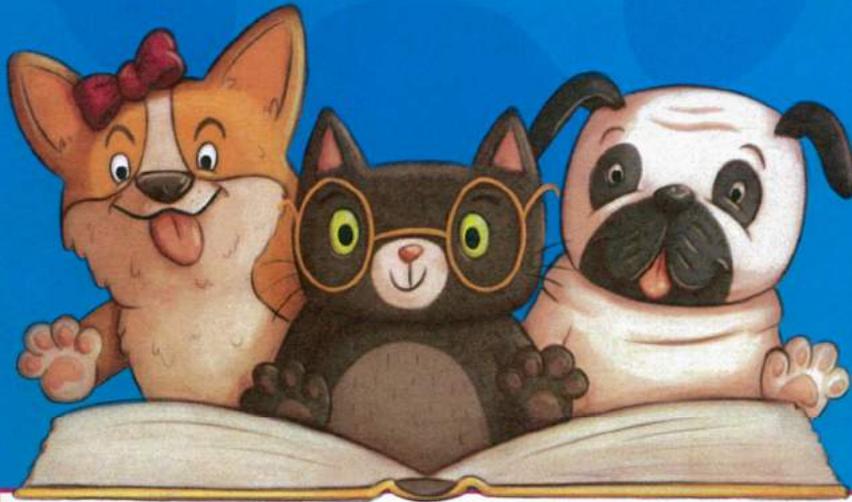

When someone says or does something intentionally hurtful and they do it once, that's

MEAN

When someone says or does something intentionally hurtful and they keep doing it even when you tell them to stop or show them that you're upset – that's

BULLYING
