HEAD LICE

There have been a few cases of Head Lice reported within the school. Please check your child's hair regularly and treat if necessary.

Thank you to the Parents Association for organising and running the Mothers Day Stall today.

Week 4

Term 2, week 4

This week parents of children in years 3 and 5 will receive information regarding the NAPLAN assessment, which will be taking place next week at school. NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling, grammar and numeracy. It is important to remember that NAPLAN is not about passing or failing, but about assessing learning progress. Please feel free to see me if you have any questions at all about the NAPLAN assessment program. Results for individual students will be sent home to families once they arrive at the school from VCAA.

This week we have been fortunate to welcome Abli into our school for African drumming workshops with all grades in complementing our wonderful music program. The students all had a wonderful time and Abli also went out at recess to play soccer with the students. A very talented man and a terrific quest to our school this week – Thank you Abli

I would like to wish all CLPS staff, mums, grandmas and carers a very Happy Mother's Day for Sunday. I would like to especially thank our Parents Association for all of their work in preparing the Mother's day stall for the students. I know that there will be many very spoilt mums this coming Sunday, myself included.

Congratulations [Miss Jury, Miss Trigg and Mrs Campbell](#) on being nominated for the 2018 Power FM – Apple for the Teacher competition. Vote as many times as you like using the website link below and clicking on the CLPS teachers!

Parking reminder and school crossing

A reminder to parents to please follow local council parking regulations in our school zone. I have recently had reports of parent's illegally parking to drop off children of a morning and this is incredibly dangerous. The council have advised me that there will be parking inspectors in our area over the next few weeks.

A reminder to all parents that the carpark is not for pick-ups at the end of the day.

Please also remind your children to always use the school crossing when arriving and leaving school. We have a number of children walking down Otway St and then crossing near Pennyweight Park. Staff on duty will be speaking with children and reminding them also.

Congratulations to Lachlan Marinus on placing 7th overall and to all the students who represented the school last Friday in the cross country held at Lake Wendouree. Lachlan will now go onto to represent CLPS at the next event.

MEDICATION & ASTHMA Please update your child's medication forms and medication. If medication is bought to school there is a procedure for having medication on the school site and a form needs to be completed.

ASTHMA forms will need to be reviewed if necessary. I will be contacting all parents whose children have ASTHMA, hopefully this term, with new Department/Asthma Foundation forms.
