Resilience Project Parent Session with Martin Heppell

On 28th August, we will be hosting Martin Heppell from the Resilience Project for our 2018 Parent session. We have purposely placed the JSC disco on the same night in an effort to have as many parents in attendance as possible. Martin is an incredibly engaging speaker and the children will be having their sessions with Martin the next day. A note will be going home about the disco and parent session early next week.

For more information about the Resilience Project please see their website at <https://theresilienceproject.com.au/about-us/>

Upcoming events for our students

The middle and senior unit futsal teams have been training hard in preparation for the competitions at Major League scheduled for next Tuesday and Wednesday. I would like to wish all of our students the best of luck for the events but more importantly to have a wonderful time in representing CLPS and demonstrating sportsmanship and fair play.

Our Prep – 2 students have a visit to Science works in Bendigo on Thursday and I am sure this will be an interactive and enjoyable day of learning for students.

Next week concludes with the Book Week dress up Parade in the Gym on Friday the 24th starting at 9.30am. Dress up as your favourite book character.

Enrolments for 2019

I am currently booking in parent tours for new students for 2019 so if you have not yet enrolled a sibling who will be joining us in 2019 please come and see Lisa for an enrolment pack and transition program details for our Prep students for 2019. We already have a number of enrolments which is very pleasing and I am expecting that this will continue as the year goes on. I look forward to welcoming many new families to the school.

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies. Approximately 30 per cent of parents have been invited to participate in this year's survey. All responses to the survey are anonymous. This year the Parent Opinion Survey will be conducted from **Monday 23rd July** to **Sunday 26th August**.

The survey will be conducted **online**, only takes **10-15 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

The survey results will be reported back to the school at the end of September. The survey results will also be communicated through our school council meeting later in the year. If you receive an email asking you to complete the survey, please make the time to do this as your views are important to us.

Thank you
Darlene Cameron

Just a reminder to all parents, teachers are on duty and children are supervised from 8.45am so please ensure that your child/children are arriving as close to 8.45am as possible to ensure they are supervised at all times.

This year we will be continuing our focus on student attendance and following up promptly with all parents regarding any unexplained student absences. Please contact Lisa by phone at the office on 5333 7170 to report if your child is going to be away from school. You can also use the 'Canadian Lead APP' which you can put on your phone.

MEDICATION & ASTHMA Please update your child's medication forms and medication. If medication is bought to school there is a procedure for having medication on the school site and a form needs to be completed.

ASTHMA forms will need to be reviewed if necessary. I will be contacting all parents whose children have ASTHMA, hopefully this term, with new Department/Asthma Foundation forms.

[IT IS PARENT'S RESPONSIBILITY TO MAKE SURE THAT MEDICATION HAS NOT PASSED IT'S EXPIRY DATE.](#)

School Banking Day is every Thursday.
