

ACTIVITY PARTICIPATION / PHOTO RELEASE FORM

Please print this form on your church's letterhead as it is an invitation from your church

Dear Parents/Guardian,

Welcome to the KIDS HOPE AUS program which is being implemented by **(insert name of your church)** in partnership with **(insert name of your school)**. We're so glad you've allowed your child to be a part of this exciting opportunity. As the mentor and child work together, it is our goal to see your child's schoolwork improve and their friendship grow.

Planned Activities:

We have planned activities during the year to give kids time, at school and outside of school, to just have fun with their mentors in group activities. This is also an excellent time for parents to meet mentors and their families. We would like your permission to invite you and your child to participate with his/her mentor in a group context outside the school. *Please note that activities held at the church may be religious in nature.* Please tick the appropriate box below if you are happy for you and your child to be invited to these activities.

Photographs:

In addition, at our activities, and sometimes at school, group photos may be taken by us. These photographs may be used by the school, the church or the KIDS HIOPE AUS office for promotion of the KIDS HOPE program. Neither you nor your child will be identified by name. Please note that if we want to use a photograph for any other reason, we will contact you for specific permission.

If you are happy for your child to be photographed and for the photos to be used as described, please tick the appropriate box below.

Please complete the attached form and return it to the school. If you have any questions or comments about KIDS HOPE AUS., please give me a call on **(insert contact phone number)**.

Yours sincerely,

(KIDS HOPE AUS. Coordinator)
