Week 1

Term 2, week 1

Welcome back for another wonderful term of school I hope everyone had an enjoyable Easter and holiday break as I know our staff did. Over the holidays some wonderful improvements have been made across the school that include a renovation to our front office and the re-development of the steps and path leading to the basketball courts for students. This project was first initiated by our grounds committee and I would like to acknowledge this team in developing a wonderful plan for the school. Thanks also to John Clark for all of his efforts over the holiday break as we had many trades visit the school. Special thanks to Adam and Isaac Gregor who also removed all the blackberry bushes from the front of the school. A wonderful job by all!

We are officially an eSmart School!

Canadian Lead Primary School is very proud to announce that we are now an eSmart school! Over the last few years, we have implemented a variety of activities and policies to improve the way our school manages cyber safety, increase digital literacy and reduce cyber bullying. Now, we have marked a milestone in supporting and equipping the whole school community with strategies to be safe, smart and responsible users of the ever-developing digital technologies. We encourage everyone in the school community to continue supporting eSmart behaviours at all times whether it is at school or at home.

What is eSmart?

eSmart is an initiative of the Alannah & Madeline Foundation, a national organisation committed to help schools and the wider school communities to deal with bullying and cyber issues & incidents.

Risks such as cyber bullying, harassment, online sexual predation, identity theft and fraud are some of the real dangers our young people can face nowadays. It is therefore highly important that our students must be equipped with the strategies to operate successfully in a digital world.

For more information please feel free to contact our school and visit: www.esmart.org.au

We are
eSmart
Smart. Safe. Responsible.

CLPS PARENTS AND FRIENDS ASSOCIATION

We still have boxes of Cadbury Freddo and Friends chocolates to sell. If anyone would like a box or you know of someone who would like to sell one, please come into the office to collect a box.

We are hoping to raise \$2000 to go towards upgrades for the playground. Each chocolate sells for \$1, and each box returns a \$20 profit to our school. Thankyou to everyone who has sold boxes already.

MEDICATION & **ASTHMA** Please update your child's medication forms and medication. If medication is bought to school there is a procedure for having medication on the school site and a form needs to be completed.

ASTHMA forms will need to be reviewed if necessary. I will be contacting all parents whose children have ASTHMA, hopefully this term, with new Department/Asthma Foundation forms.

**IT IS PARENT'S RESPONSIBILITY TO MAKE SURE THAT MEDICATION
HAS NOT PASSED IT'S EXPIRY DATE.**
